#### **MAIN ITEMS OF 98<sup>TH</sup> MEETING OF BOARD OF MANAGEMENT HELD ON 23-7-2021 AT VETERINARY COLLEGE, SHIVAMOGGA**

##### **Item No.2 Review of pay fixation for scientists of IAH&VB, Hebbal, Bangalore**

##### **Resolution**

The Chairman & Vice Chancellor informed that the merger of IAH&VB with University created lot of problems with respect to extending service benefits. Further, he informed that the Scientists of IAH&VB are equated with cadre of University teaching posts i.e. Assistant Professor, Associate Professor & Professor. Further, he informed that Scientists of IAH&VB are working under the administrative control of University from 2009 to 2014 on their own pay and grade and UGC scales and related benefits are extended to scientists of IAH&VB from 15-3-2021 as per Govt.order.

The Secretary Law Department raised the issue of injustice/anomaly in extending UGC pay scale to Dr.K.Nagaraj, Dr.Sanganagowda Koppad as the IAH&VB is merged with University on public interest by the Government of Karnataka. Further, he raised question with respect to mandatory guidelines ICAR/UGC i.e. NET/Ph.D is required only for initial appointment, both were got the promotion and Ph.D/NET was made mandatory in University only after 2006. So their past services has to be considered and equate their posts while extending UGC pay scales. Further, he informed that the Scientists of IAH&VB equated to the post of University i.e. S-1, Assistant Professor Rs. 6000/- AGP , S-2 Assistant Professor Rs. 7000/- AGP , S-3, Associate Professor Rs. 9000/- AGP, S-4

Professor Rs. 10000/- AGP but it is not equated to Rs. 8000/- AGP. He also informed that anomaly in extending and equating the Scientists of IAH&VB to the pay scale of Rs. 8000/- AGP who put more number of years of service in IAH&VB and protect the service seniority of the scientists. The Chairman informed that the seniority of IAH&VB scientists was maintained separately up to 2018. Further, he also informed that as per Govt. order IAH&VB merged with the University posts and accordingly pay scales are extended.

Dr.S.Yathiraj, Hon'ble Board Member informed that as per the GO the UGC scale are extended to the Scientists of IAH&VB as equated by name in Government order. In case of Assistant Professor S-1 is equated to Assistant Professor AGP 6000/- and S-2 to Assistant Professor AGP 7000/-. He also quoted the examples of Dr.Sanganagowda Koppad, Dr.Nagaraj, Dr.Mallinath for whom the UGC scales are to be extended as and when acquired required qualification i.e. Ph.D/NET.

Dr. Bhojanaik, Hon'ble Board Member informed that as per Govt. Order S-1 & S-2 Scientists of IAH&VB are equated to Assistant Professor. In Assistant Professors their scales i.e. Rs. 6000/- , 7000/- & 8000/- AGP . When S-1 & S-2 equated Rs. 6000/- 7000/- respectively what prevented University to give Rs. 8000/- scale. Further, he informed that four scientists in the cadre of Scientists-2 who put more number of years of service, their services can be considered and equated them in the pay scale of Rs. 8000/- AGP. he also informed that assessment can be made to extend Rs. 8000/- AGP.

Dr.K.P.Ramesha Hon'ble Board Member informed that UGC/ICAR guidelines are to be strictly followed while equating IAH&VB scientists' posts to the University teaching posts by duly conducting evaluation for the various cadres of University posts in accordance with UGC/ICAR guidelines.

The Registrar informed that University equated S-1 & S-2 Scientists to Assistant Professor Rs. 7000/- Rs. 8000/- AGP which requires assessment as per CAS guidelines of ICAR/UGC. The Registrar informed to explore the possibilities of considering past services i.e. before 15-3-2014 through assessment and evaluation as per UGC/ICAR guidelines to extend UGC scale to Scientists who are not possessing required qualification i.e. Ph.D/NET on or after 15-3-2014. The Registrar informed that in this regard Govt order is required for which University has to submit the proposal for issue of revised Govt. order.

The Secretary, AHF informed that not to go back, the assessment is a routine work of the University why it is not done. The Registrar informed that from the University proposal was submitted to Government stating that, the Scientists of IAH&VB are assessed and equated to the various cadres of post of University for extension of UGC scales and related benefits. Consequent to University proposal, the Govt issued an order. Accordingly UGC scales and its related benefits were extended to Scientists of IAH&VB.
